

Meat Hunger

Corporate Sponsorships

Meat Hunger: From Farm to Backpack - A Collaboration Between the St. Joseph County 4-H Program and Cultivate Food Rescue.

Meat Hunger raises funds to purchase livestock from 4-H youth. The goal of Meat Hunger is to provide an above market turn price for the animals raised by 4-H members. The livestock is then processed into 2-pound packages of ground protein for Cultivate's food pantry partners and put into frozen backpack meals for children facing food insecurity. Since it began, the Meat Hunger program has raised nearly \$240,000 to purchase 364 animals. This translates to protein for 180,000 meals at only \$1.33 per meal! Locally sourcing this protein is an environmentally conscious way to feed our hungry neighbors and a great way to financially support our local 4-H students in their endeavors.

Sponsorship Levels

\$5,000
Wagyu

- Your logo on all event promotional material including email blasts and event reminders
- Your logo on banner at Cultivate's table at the St. Joseph County 4-H Fair

- Thank you posted on four social media channels (Facebook, Instagram, LinkedIn, X)

Cultivating tomorrow's leaders, Meat Hunger brings kids together to help other kids in our community.

The Meat Hunger Club is designed to incorporate 4-H members in the fundraising process. Children are provided with a framework, education, and confidence to solicit donations on behalf of Cultivate.

How to Donate

By Check

If you would like to make a monetary donation to the cause, checks can be made payable to Cultivate Food Rescue with Meat Hunger in the memo line and mailed to: Cultivate Food Rescue 1403 Prairie Avenue South Bend, IN 46613

Online

Visit CultivateFoodRescue.com to donate online, or simply scan the QR code and select Meat Hunger as the option to donate.
